EXCHANGING TIME, CREATING COMMUNITY

ANNE ARUNDEL

FEBRUARY 2020

PRESIDENT/CEO'S MESSAGE

We are excited to announce that 2020 will be a year of major expansion for Partners In Care. Not only are we planning to expand our Administrative Offices, but our Upscale Resale Boutique will be enlarged to include an area dedicated to fine jewelry, collectibles and other upscale items. We are also securing a new location for our Frederick site. Because our Anne Arundel location has been so successful, we will be combining our Administrative Offices and (SURPRISE!) opening a BRAND NEW Frederick Boutique to mimic the Pasadena site. The only thing better than one Resale Boutique is two!

We will also be putting a Mobility Bus on the road very soon for our Frederick members. This is exciting news for us, but with growth comes more responsibility, and it is crucial that we have enough volunteers to ensure the success of our programs. Please visit our website to apply and join our amazing team of volunteers. For more information, contact April Stup at 410-544-4800 or aprilstup@partnersincare.org.

In addition to our spaces enlarging, our staff is also growing. In August 2019, we welcomed Yanny Silva Rosario as our Director of Operations and Human Resources. In December 2019, we brought Jessica Lewis onto our team as a Communications Specialist, and in January 2020, Laury Eberhard began as our new Anne Arundel Boutique Manager. I would like to say to all the volunteers and staff: We couldn't do it without you, and I am honored and proud to be part of such an amazing group of caring individuals. As CEO/President of PIC, I look forward to all 2020 has to offer us!
