VOLUNTEER APPRECIATION LUNCHEON

April is National Volunteer Appreciation Month. Each year, we make it our duty to show our appreciation by coordinating a luncheon for our volunteers. This is a time for volunteers to catch up with other volunteers and truly feel that they are our heroes. Without volunteers like you, PIC would have a world full of services with no one to provide them. Look for your invitation in the mail!

For more information, contact April Stup at 410-544-4800 or aprilstup@partnersincare.org.
