

Banking Time While Building Community

Dear Potential Vendor,

Partners In Care is a private non-profit, 501 (c) (3) organization. We are a recognized leader in Maryland offering programs and services that support the independence of older adults by using the time and talents of our members, leadership and staff. Through a unique culture of service exchange, neighbors volunteer their time and talents to help each other with everyday tasks. Members give their time and ask for help when needed, or they may donate their hours to a family member in need.

When: Saturday, September 27, 2025

Where: Severna Park Community Center (Gym) 623 Baltimore Annapolis Blvd. Severna Park, MD 21146

Time: 11AM-3:30PM & 10AM (For Vendors)

Falls threaten the independence of older adults. Roughly, 3 million older adults ends up in the emergency room each year. More than 800,000 of those are hospitalized; often for a head injury or a broken hip. Falls are the leading cause of injury related to deaths among adults 65 years and older. My question is: how can we ignore this preventable event that cost people their lives and financial distress?

With your help and participation we can provide older adults the tools they need to understand how vision, balance, hearing, strength and mobility can protect them from a fall. Your participation causes a "ripple effect". Together we can reach a broader audience to bring our message "Neighbors Helping Neighbors" to our local community.

We thank you in advance for your generosity and your participation in choosing to collaborate with Partners In Care for this event. Please let us know if you are able to attend or sponsor by July 15th.

Can we include you as a Platinum level participant today?
