Aloha, Neighbor!

Please pause and think about an older adult who has made a difference in your life.

When you become a Sponsor of Partners In Care Maryland, you support our mission of helping older adults age in place with dignity and respect. They will receive services and assistance they desperately need, such as,

- **Transportation** – rides with arm-in-arm, door-through-door service for important appointments and necessities
- **Repairs** – minor repairs, such as, the installation of grab bars and toilet risers as well fixing leaking faucets and other items to ensure members' homes are safe
- **Service Exchange and Time Banking** – members use their talents to support each other
- **Social Engagement** – build community to prevent isolation through a variety of programs, including our Upscale Resale Boutique and the Member Care Program

Choose from a variety of sponsorships which provides your organization with digital/print recognition as well as opportunities to demonstrate your support and commitment to the older adult community.

Thank you for making a difference in an older adult's life!
With sincere appreciation,

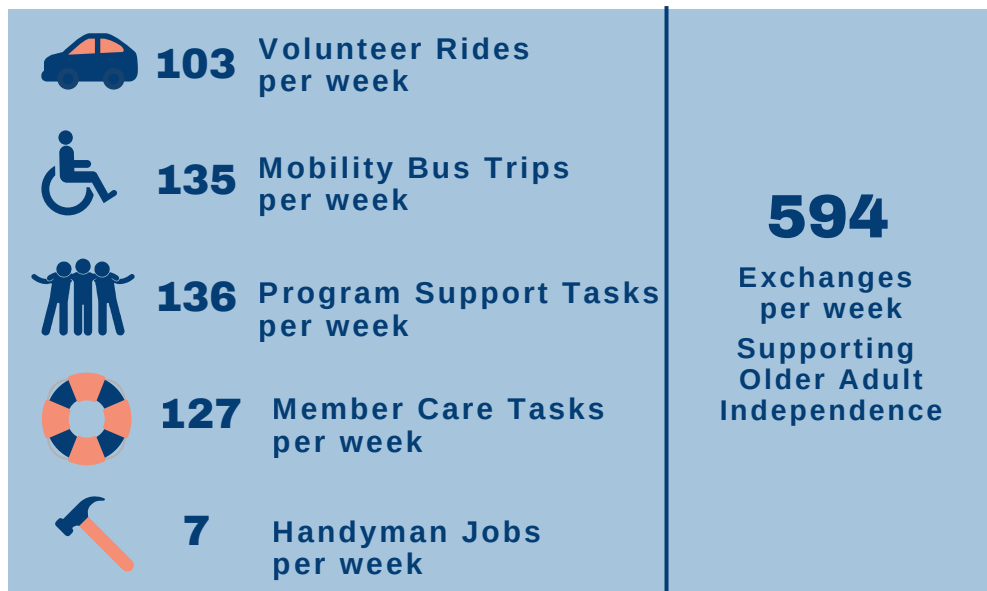

Amy Van Orden
